MASSACHUSETTS COLLEGE OF ART

## the student association HANDBOOK

Now in its thirtieth year at the Massachusetts College of Art, the Student Association is attempting to become a form of Student Government rather than an organization dependent entirely on its officers for the introduction of ideas and execution of activities. It is only with the wholehearted interest and backing of the student body that this may be achieved.

The introduction of representatives from each division in the college, to be present at the S.A. meetings has enabled a closer contact between officers and the student body.

It is hoped that this contact will arouse interest on the part of all, since this is not an organization for the few but for the benefit of all.

The Student Association urges your membership as well as participation in the activities and contributions in the form of suggestions, thus enabling the Association to aid the student body to function socially as well as artistically. Be a member, be active; better both your organization and yourself.

## PRESIDENT'S MESSAGE

Throughout the eighty-seven years of its spectacular history the Massachusetts College of Art has been proud of the constant spirit of cooperation of its students. Drawn together by a zeal to develop their own artistic talents the students have realized their responsibility to their college, its administration and faculty. In sensing their gratitude toward the special quality of the College of Art its students have always recognized a special affection toward it.

The Student Association is the most important student activity in any college. It shares with the administration and the faculty the responsibility for the co-curricular program so vital to the college calendar. The social events and the publications sponsored by the Student Association give a personality to each year as it reflects the initiative and sincere interest of the officers and the members. Many of the most cherished souvenirs of college days are bound up with the affairs sponsored by the students through their Association.

It is my hope that the Student Association of the Massachusetts College of Art will grow in membership and strength and increase its participation in all school events.

## GENERAL INFORMATION

### Attendance Requirements

Regular attendance is required in all classes. If a student finds it necessary to be absent, he is expected to furnish an explanation in writing to the Dean. Excuses must be in the Dean's or Nurse's Office the day following the absence in order to be considered.

Classes begin promptly at the time scheduled. The student will be marked late if he arrives 15 minutes after the class is scheduled to begin, after that, he will be marked absent. Four tardies are the equivalent to an absence.

A student whose absence is excused is granted 10 days to make up the work missed.

### Withdrawal Procedure

In the event that a student wishes to withdraw from the college, he must fill out Official Withdrawal Forms obtained from the Dean's Office. Only after that form has been certified by the Dean, Librarian and the Burser, is the student's withdrawal completed.

### Dean's List

Students who maintain an average of "B" or better, qualify for inclusion in the Dean's List published at the end of each Semester.

### School Store

All the materials and books required for

the course work in the College are available in the School Store. This Store is open during hours posted.

#### **Cafeteria**

The College Cafeteria is open Monday through Friday 9:30 to 2:30. Eating lunches in the College is prohibited, except in the Cafeteria.

#### **Permission to Work After Hours**

Students who receive written permission from the Heads of Departments concerned plus the approval of the Office of the President to work in the school after class hours, are required to identify themselves by showing their matriculation card and permission slip to the watchman in attendance. Students who cannot present these documents are not permitted to use the college after hours. No student may remain in the School building after 6:00 P.M.

#### **Student Work**

The College reserves the right to retain one example of each student's work each semester to be added to the Permanent Collection of Student Art.

#### **Smoking and Fire Regulations**

Students are permitted to smoke only in the space set aside for them at the rear of the building. Fire regulations prohibit smoking in any other part of the building. Violation of this rule is grounds for dismissal.

### **Telephone Calls**

No student will be called from his class except in a case of extreme emergency. However, messages for students may be left with the Dean's Office and will be posted on the Student's Bulletin Board.

### **Posters**

Students may not post any notices in the College Building without approval from the Dean's Office.

### **Loss and Damage to Property**

The College assumes no responsibility for loss or damage to the property of the students.

### **Bulletin Board**

Information of importance and interest to students will be posted on Bulletin Boards. The Bulletin Board outside of the Dean's Office will carry official notices to students. The Basement Bulletin Board will carry current information pertaining to student activities. All students should consult these bulletin boards daily.

### **Weather**

When inclement weather makes the closing of school necessary, announcements to that effect are made over Stations WBZ and WNAC at 7:00 A.M. or shortly thereafter.

### **Guidance**

Students are encouraged to take advantage

of guidance offered whether problems are academic, social or personal. The Administrative Office is prepared to give counsel and guidance.

## PARKING REGULATIONS

All students who drive cars and use the parking area at the rear of the school, regularly or periodically, must procure an official sticker at the school store. Cars which do not have said sticker after the first week of school will be barred from the parking area.

1. All faculty and students using this area must purchase an official sticker. All cars entering the parking area will be checked daily.

2. Purchase of said sticker costs \$2.00 and may be made by first buying a chit at the school store. The chit should then be presented at the President's office where the registration, make of the car, etc., will be recorded and the sticker issued.

3. The sticker, bearing a number, should be adhered to the right front side window of the car.

4. Cars are to be parked only in the areas designated by the painted white lines. Violation of this regulation will carry a first warning. A second warning will result in a

loss of the sticker and the right to park at the rear of the building.

5. Cars are not to be left in the parking area over night.

6. There will be more stickers sold than there are parking stalls. The possession of a sticker does not guarantee the owner a parking space. If a driver finds that the lot is filled, he must park outside the area.

Please remember that in January 1960 your new registration number must be recorded with the president's secretary.

#### REQUIREMENTS FOR PROMOTION AND GRADUATION

1. A system of quality points is in force at Massachusetts College of Art. Under this system, grades will be given the following values: A-4 to 5, B-3 to 3.9, C-2 to 2.9, D-1 to 1.9, E-0.

2. The number of quality points which a student receives in a course is determined by multiplying the total number of semester hours in the course by the corresponding number of quality points, e.g., a six-semester hour course with a rating of "4" has a value of 24 quality points. The average is computed by dividing the total number of quality points by the total number of semester hours.

3. The average of the grades required for promotion or graduation is two. Students with an average of less than two must withdraw from college unless permission to repeat the year is given by the Director of the Teachers Colleges on the recommendation of the President for such reasons as illness, home difficulties, etc.

4. Incomplete grades must be made up within eight weeks after the opening of the following semester. (No course may be marked "Incomplete" unless 80% of the work has been done at the time of discontinuance.)

5. The determination of quality points is made at the end of each college year and, excepting when the year is repeated, the number of points is not affected by grades in courses subsequently taken and passed.

6. "E" grades can never be removed, but the subjects in which they have been received must be repeated and passed, or, in the case of electives, other approved courses must be taken and passed either in approved summer sessions, or when possible, during the regular college year. Continuing subjects, in which "E" grades have been received, must be successfully repeated before the student may take advanced work.

#### Accreditation

Massachusetts College of Art is accredited

by the New England Association of Colleges and Secondary Schools. It is a charter member of the National Association of Schools of Design and a member of the American Council on Education.

### LIBRARY REGULATIONS

The Library is open on school days from 8:45 A.M. to 4:30 P.M.

#### General Rules for Library Use

1. Quiet should be observed in the Library at all times. When a student comes to the Library he comes to study; such conversation, or consultation as may be necessary, should be carried on with the utmost consideration for all present.

2. Fountain pens may be filled at the Librarian's desk when necessary, but should be kept carefully away from books and plates.

3. Water colors may be used in the Library, provided always that the strictest care is observed in their use on or with Library property.

4. Tracing from plates, or reference books is not permitted except by consultation with the Librarian.

5. No eating is permitted in the Library.

6. Students have access to all books and portfolios on the shelves. Much of our material is expensive, much cannot be dupli-

cated because of its character or expense and all of it is State property made available freely for you. It is expected that all students will cooperate in its careful use, and that it will be returned on time to the Librarian's desk; if you are not sure where it belongs. A misplaced book costs time and disposition.

### **Circulation of Books and Plates**

Books may usually circulate for one week and are "charged" at the Librarian's desk by the Librarian. If not in demand, the book may be renewed for one week additional. The circulation period and number of books allowed one student is limited at the discretion of the Librarian.

### **Plates and Clippings**

Plates and clippings from the Information File may be borrowed by signing for them on the Individual Student's Card in the black box on the Librarian's desk. When returned to the desk, this material will be discharged by the Librarian while the student waits. Care should be taken by the student to keep all such material clean and whole.

### **Magazines**

Magazines do not leave the Library except by special permission. Back numbers may be consulted by asking for them at the desk.

### **Reference Books**

The restriction as to "Ref" and "R" may be

lifted at the discretion of the Librarian or at the request of an instructor. ALWAYS ASK about material marked in this manner.

Until further notice, books on ANATOMY and HISTORIC COSTUME do not leave the Librarian's desk.

### **Reserve Books**

Reserve books are taken from the shelves and placed between book-ends on a table at an instructor's request. These books are restricted for the use of a particular group and cannot be borrowed by the school at large. They may be borrowed by members of the group overnight and returned promptly by 9:00 A.M. the next morning, having been signed for as usual at the desk. Books may be reserved in advance by applying to the Librarian. Such books should not be taken if a student is not to be in school the next day, nor should the books be passed on from one student to another.

### **Overdue Notices**

For "Overdue" material, students will be sent for personally by the Librarian. There are no fines, but for this very reason, students are expected to be prompt and considerate in returning material. Carelessness may result in the loss of Library privileges. UNDER NO CIRCUMSTANCES should books or other material be taken from the Library without charging at the desk.

Students are asked to report books or plates "Lost" or "Found" to the Librarian immediately.

SENIORS must clear all Library obligations by THURSDAY preceding Commencement.

The Library is a carefully selected source of information for you. If you do not find what you want on the shelves or in the catalog, ASK THE LIBRARIAN.
